Let's Begin...

Our Premium **Raw Pistachio Kernels** are sourced from Iran/Qazvin finest orchards and processed using mechanized sorting and peeling technology for uniform quality and vibrant green color. Ideal for snacking, ingredient use, or private-label retail, these kernels meet EU regulations and are packed with Nutritional value and proteins. Available in 10kg sealed box, we also would provide our special costumers with tailored re-branded packaging for both wholesale and retail markets.

Our **Pistachio Halves** are carefully split using mechanized peeling and splitting machinery, offering large, vibrant pieces with a buttery flavor and satisfying crunch. Perfect for European confectionery, baking toppings, or snack mixes, these halves provide a premium visual appeal for manufacturers and retailers. EU-compliant and available in 10kg vacuum-sealed box, we also would provide our special customers with tailored re-branded packaging for both wholesale and retail markets.

Crafted with precision, our **Slivered Iranian green Pistachios** are produced using advanced mechanized Slicing and peeling machineries, ensuring consistent size and texture. Perfect for European bakeries, confectioners, and savory dishes, these slivers add a premium touch to pastries and chocolates. EU-compliant, available in 10kg vacuum-sealed box. we also would provide our special costumers with tailored re-branded packaging for both wholesale and retail markets.

Our **Pistachio Granules** are processed with state-of-the-art mechanized grinding equipment, delivering uniform granules ideal for both European and global food production. Use them in ice cream toppings, chocolate coatings, or savory crusts. Compliant with EU standards and packed 10kg export-ready boxes.

Milled from premium Qazvin green pistachios using advanced processing technology, our Fine **Pistachio Powder** ensures a silky texture for European top bakeries and food processors. Perfect for macarons, cakes, or health products. 10kg resealable crafted Boxes, EU-compliant.

Our Pure green **Pistachio Paste** is crafted from roasted Iranian top grade green pistachios using mechanized blending for a smooth, consistent texture. Ideal for patisseries and manufacturers creating fillings or gourmet desserts and chocolates. Producing by orders, considering our MOQ (minimum order quantities) policy, would be provided in re packed and re-branded 1kg, 5 kg, 10 kg labeled/ un-labeled standard packages.

Extracted using advanced cold-pressing technology, our **Pistachio Oil** offers a nutty aroma and healthy fat profile for gastronomy restaurants and specialty retailers, great the basis for making sauces, coloring and flavoring in very professional chocolate and confectionery, as well as producing preservatives and skin and hair health products. Perfect for dressings, dips, or private-label bottling. Available in 250ml, 500ml, and 1L bottles, export-ready.

**Pistachio-derived finished products**  
include pistachio butter, ice cream, baklava, pesto sauces  
and premium chocolates, among many others....

**& so much more!**
